

## Truth-In-Savings Disclosure for Personal Accounts

Effective August 14, 2023

### COMMON FEATURES

- Par value of the Primary Savings account is \$5.00. You must complete payment of one \$5.00 share in your Primary Savings account to become a member of the credit union and open additional accounts.
- Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period. Except for certificate accounts, the Dividend Rate and corresponding Annual Percentage Yield (APY) may change at the discretion of the Board of Directors. Dividend Rates and APYs are prospective rates and yields that we anticipate paying for the applicable dividend period. Dividends are not guaranteed.
- The APY is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. APY assumes that the principle and dividends earned will remain in the account. A withdrawal will reduce your earnings.
- For current dividend rates and APYs, please visit [www.capedcu.com](http://www.capedcu.com).
- Dividends begin to accrue on the business day you make your deposit.
- If you close your checking account before dividends are posted, dividends will not be paid.
- Dividends are calculated using the Daily Balance Method which applies a daily periodic rate to the balance in the account each day.
- Unless otherwise disclosed, overdrafts on a checking account will be paid by a transfer from available funds on your personal line of credit loan. If funds are not available or you do not have a line of credit, funds will be transferred from your Primary Savings account. In addition, for High Yield Checking+ and Good For Me Checking+ accounts, a transfer from your High Yield Savings or Good For Me Savings will be made to cover the overdraft. For additional overdraft transfer options, you may make a request to us in writing, or call us at 208-884-0150 or 800-223-7283.
- Qualification Cycle. The qualification cycle for reward accounts begins on the last day of each month and ends on the day before the last day of the following month. For example, the qualification cycle for July is from June 30 through July 30.
- We reserve the right to require not less than 7 days' notice in writing before each withdrawal.
- When offered, the certificate rate bump option is a one-time rate increase during the term of an existing certificate. At your request, the rate on your certificate will increase to the standard rate offered on certificates with the equivalent term on the day of your request but is not retroactive to the opening/renewal date of the certificate. At maturity, the certificate will renew at the then-current standard rate.

### SAVINGS

#### IDAHO MEDICAL SAVINGS

#### FIRST TIME HOME BUYER SAVINGS

**Minimum to Open.** The minimum amount required to open a primary savings account is \$5.00. There is no minimum amount required to open a secondary savings, Idaho Medical Savings, or First Time Home Buyer Savings.

#### **INDIVIDUAL RETIREMENT ACCOUNT (IRA)**

#### **EDUCATION SAVINGS ACCOUNT (ESA)**

**Minimum to Open.** There is no minimum amount required to open this account.

**Dividend Period.** The dividend period for this account is quarterly.

**Compounding and Crediting.** Dividends are compounded and credited quarterly.

#### **Transaction Limitations.**

- Additions will be limited to the IRS contribution limits for the year of contribution.
- Electronic transfer contributions are credited for the tax year in which they are received.
- Written requests are required for prior year contributions on all accounts that allow prior year contributions.

#### **INDIVIDUAL RETIREMENT ACCOUNT (IRA) 59 ½**

**Minimum to Open.** There is no minimum amount required to open this account.

**Dividend Period.** The dividend period for this account is quarterly.

**Compounding and Crediting.** Dividends are compounded and credited quarterly.

#### **Transaction Limitations.**

- Additions will be limited to the IRS contribution limits for the year of contribution.
- Electronic transfer contributions are credited for the tax year in which they are received.
- Written requests are required for prior year contributions on all accounts that allow prior year contributions.

#### **INDIVIDUAL RETIREMENT ACCOUNT CERTIFICATE**

#### **EDUCATION SAVINGS ACCOUNT CERTIFICATE**

#### **IDAHO MEDICAL CERTIFICATE**

**Minimum to Open.** The minimum balance to open this account is \$500.00.

**Dividend Period.** The dividend period for this account is quarterly.

**Compounding and Crediting.** Dividends are compounded and credited quarterly and at maturity.

#### **Transaction Limitations.**

- Additions will be limited to the IRS contribution limits for the year of contribution.
- Electronic transfer contributions are credited for the tax year in which they are received.
- Written requests are required for prior year contributions on all accounts that allow prior year contributions.
- You may make withdrawals of principal from your account before maturity only if we agree at the time you request the withdrawal. Principle withdrawn before maturity is subject to an early withdrawal penalty.
- This account is non-transferable and may not be pledged or assigned.
- You may withdraw dividends credited in the term before maturity of that term without penalty. You may withdraw dividends on the first day after the crediting date.

**Early Withdrawal.** In the event an early withdrawal reduces the balance of the account below the required minimum balance, the certificate will be closed, and the penalty described below will be imposed on the entire amount in the account. In the event an early withdrawal does not reduce the balance of the account below the required minimum balance, a penalty will be imposed only on the amount withdrawn.

**Early Withdrawal Penalties.** If your account has an original maturity of 12 months or less, we may impose a penalty equal to the lesser of:

- 90 days of dividends,
- The number of days from renewal/opening date to the date of withdrawal at the rate currently in effect for the account, or
- Seven days of dividends on the amount withdrawn if earned dividends are less than 7 days' dividends.

If your account has an original maturity of more than 12 months but less than 48 months, we may impose a penalty equal to the lesser of:

- 180 days of dividends,
- The number of days from renewal/opening date to the date of withdrawal at the rate currently in effect for the account, or
- Seven days of dividends on the amount withdrawn if earned dividends are less than 7 days' dividends.

If your account has an original maturity of 48 months or more, we may impose a penalty equal to the lesser of:

- 365 days of dividends,
- The number of days from renewal/opening date to the date of withdrawal at the rate currently in effect for the account, or
- Seven days of dividends on the amount withdrawn if earned dividends are less than seven days' dividends.

The balance on which the penalty is figured is the amount withdrawn less available dividends. If you have withdrawn all dividends at the time of early withdrawal, the penalty is taken from the principal. In certain circumstances, such as death, incompetence, or disability of an owner of this account, the law may require that we waive the early withdrawal penalty. Other exceptions may apply. Consult your tax advisor for any IRS penalty for withdrawals.

**Automatically Renewable.** This account will automatically renew at maturity. If we receive notice from you before maturity date, or within the grace period, not to renew, or if you withdraw the funds in the account at maturity, the account will not automatically renew. Unless we receive notice from you, the renewal term will be the same as the original term, beginning on the maturity date. The renewal dividend rate will be the current rate. You will have a 10-calendar day grace period after maturity to withdraw the funds without being charged an early withdrawal penalty. We can prevent renewal if we mail you a notice at least 30 calendar days before maturity. If we or you prevent renewal, your funds will be placed in an IRA, ESA, or Idaho Medical Savings Account.

#### **SHARE CERTIFICATE**

**Minimum to Open.** The minimum balance to open this account is \$500.00.

**Dividend Period.** The dividend period for this account is quarterly.

**Compounding and Crediting.** Dividends are compounded and credited quarterly and at maturity. You may choose to have dividends paid to another account rather than credited to this account. If your dividends are more than \$25.00 during the quarter, you may request that a check is sent to you.

**Transaction Limitations.**

- You may not make additions to this account until the maturity date stated on the account.
- You may make withdrawals of principal from your account before maturity only if we agree at the time you request the withdrawal. Principle withdrawn before maturity is subject to an early withdrawal penalty.
- This account is non-transferable.
- You may withdraw dividends credited in the term before maturity of that term without penalty. You may withdraw dividends on the first day after the crediting date.

**Early Withdrawal.** In the event an early withdrawal reduces the balance of the account below the required minimum balance, the certificate will be closed, and the penalty described below will be imposed on the entire amount in the account. In the event an early withdrawal does not reduce the balance of the account below the required minimum balance, a penalty will be imposed only on the amount withdrawn.

**Early Withdrawal Penalties.** If your account has an original maturity of 12 months or less, we may impose a penalty equal to the lesser of:

- 90 days of dividends,
- The number of days from renewal/opening date to the date of withdrawal at the rate currently in effect for the account, or
- Seven days of dividends on the amount withdrawn if earned dividends are less than 7 days' dividends.

If your account has an original maturity of more than 12 months but less than 48 months, we may impose a penalty equal to the lesser of:

- 180 days of dividends,
- The number of days from renewal/opening date to the date of withdrawal at the rate currently in effect for the account, or
- Seven days of dividends on the amount withdrawn if earned dividends are less than 7 days' dividends.

If your account has an original maturity of 48 months or more, we may impose a penalty equal to the lesser of:

- 365 days of dividends,

- The number of days from renewal/opening date to the date of withdrawal at the rate currently in effect for the account, or
- Seven days of dividends on the amount withdrawn if earned dividends are less than seven days' dividends.

The balance on which the penalty is figured is the amount withdrawn less available dividends. If you have withdrawn all dividends at the time of early withdrawal, the penalty is taken from the principal. In certain circumstances, such as death, incompetence, or disability of an owner of this account, the law may require that we waive the early withdrawal penalty. Other exceptions may apply.

**Automatically Renewable.** This account will automatically renew at maturity. If we receive notice from you before maturity date, or within the grace period, not to renew, or if you withdraw the funds in the account at maturity, the account will not automatically renew. Unless we receive notice from you, the renewal term will be the same as the original term, beginning on the maturity date. The renewal dividend rate will be the current rate. You will have a 10-calendar day grace period after maturity to withdraw the funds without being charged an early withdrawal penalty. We can prevent renewal if we mail you a notice at least 30 calendar days before maturity. If we or you prevent renewal, your funds will be placed in your savings account.

#### **SMART STEP CERTIFICATE**

**Minimum to Open.** The minimum balance to open this account is \$25.00 and is available to members under age 26.

**Dividend Period.** The dividend period for this account is quarterly.

**Compounding and Crediting.** Dividends are compounded and credited quarterly and at maturity. You may choose to have dividends paid to another account rather than credited to this account. If your dividends are more than \$25.00 during the quarter, you may request that a check is sent to you.

#### **Transaction Limitations.**

- You may make additions to this account until the maturity date stated on the account.
- You may make withdrawals of principal from your account before maturity only if we agree at the time you request the withdrawal. Principle withdrawn before maturity is subject to an early withdrawal penalty.
- This account is non-transferable.
- You may withdraw dividends credited in the term before maturity of that term without penalty. You may withdraw dividends on the first day after the crediting date.

**Early Withdrawal.** In the event an early withdrawal reduces the balance of the account below the required minimum balance, the certificate will be closed, and the penalty described below will be imposed on the entire amount in the account. In the event an early withdrawal does not reduce the balance of the account below the required minimum balance, a penalty will be imposed only on the amount withdrawn.

**Early Withdrawal Penalties.** If your account has an original maturity of 12 months or less, we may impose a penalty equal to the lesser of:

- 90 days of dividends,
- The number of days from renewal/opening date to the date of withdrawal at the rate currently in effect for the account, or
- Seven days of dividends on the amount withdrawn if earned dividends are less than 7 days' dividends.

If your account has an original maturity of more than 12 months but less than 48 months, we may impose a penalty equal to the lesser of:

- 180 days of dividends,
- The number of days from renewal/opening date to the date of withdrawal at the rate currently in effect for the account, or
- Seven days of dividends on the amount withdrawn if earned dividends are less than 7 days' dividends.

If your account has an original maturity of 48 months or more, we may impose a penalty equal to the lesser of:

- 365 days of dividends,
- The number of days from renewal/opening date to the date of withdrawal at the rate currently in effect for the account, or
- Seven days of dividends on the amount withdrawn if earned dividends are less than seven days' dividends.

The balance on which the penalty is figured is the amount withdrawn less available dividends. If you have withdrawn all dividends at the time of early withdrawal, the penalty is taken from the principal. In certain circumstances, such as death, incompetence, or disability of an owner of this account, the law may require that we waive the early withdrawal penalty. Other exceptions may apply.

**Automatically Renewable.** This account will automatically renew at maturity. If we receive notice from you before maturity date, or within the grace period, not to renew, or if you withdraw the funds in the account at maturity, the account will not automatically renew. Unless we receive notice from you, the renewal term will be the same as the original term, beginning on the maturity date. The renewal dividend rate will be the current rate. You will have a 10-calendar day grace period after maturity to withdraw the funds without being charged an early withdrawal penalty. We can prevent renewal if we mail you a notice at least 30 calendar days before maturity. If we or you prevent

renewal, your funds will be placed in your savings account. If the account balance is less than \$500.00 on the maturity date after you attain age 26, the funds will automatically transfer into your savings account and the certificate will be closed.

#### **MATCHED EDUCATION SAVINGS ACCOUNT (MESA)**

**Minimum to Open.** There is no minimum amount required to open this account.

**Dividend Period.** This account does not earn dividends.

#### **Transaction Limitations.**

- The minimum deposit requirement is \$25.00.
- Only one MESA account per person is allowed.
