What Else You Should Know

- Good account management is the best way to avoid overdrafts. Use our mobile banking, eBanking, and telephone banking services to keep track of your balance. CapEd also offers MoneyTracker, our online budgeting tool available at www.capedcu.com.
- A link to another CapEd account, a personal line of credit, or a short-term loan are less expensive options than incurring an overdraft.
- Even if you have overdraft protection, Courtesy Pay is still available as secondary coverage if the other protection source is exhausted.
- The \$27 Courtesy Pay fee is lower than an NSF fee of \$30 plus a returned check fee from a merchant if a check is returned as unpaid. If multiple items overdraw your account on the same day, each item presented may be assessed a \$27 Courtesy Pay fee or a \$30 NSF fee. All fees and charges will be included as part of the Courtesy Pay limit. Your account may become overdrawn in excess of the Courtesy Pay limit as a result of a fee, a pre-authorized transaction, or a returned deposit item. Items returned as NSF may be re-presented resulting in multiple fees.
- CapEd Credit Union posts credits and debits in the order that they are received. The order in which transactions are posted may impact the total amount of Courtesy Pay fees or NSF fees assessed.
- Available funds are calculated by subtracting any held funds from your actual balance. Your available Courtesy Pay (if applicable) is then added to the result. If available funds are not sufficient to cover an item presented for payment, a Non-Sufficient Funds (NSF) fee will be assessed.
- Except for a merchant preauthorized purchase, CapEd Credit Union will not pay items if your account does not contain available funds (including the Courtesy Pay limit) to cover the item(s) and the amount of any fee(s).
- CapEd Credit Union will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction.
- A Courtesy Pay limit of \$100 may be available to eligible checking account holders on the business day after the account qualifies for the service. The Courtesy Pay limit may be increased to a limit of the credit union's discretion if the account has been open 30 days, is active (including regular deposits), and is in good standing.
- Courtesy Pay is not a line of credit; it is a discretionary overdraft service that can be withdrawn or changed at any time without prior notice.
- Courtesy Pay may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within thirty-two (32) days for a minimum of one day.
- Each Signer will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Account Agreement and Fee Schedule. The total negative balance, including all fees and charges, is due and payable upon demand. Visa credit cards and personal lines of credit may also be terminated when your checking account is closed due to an unpaid overdrawn balance.
