**THE BASICS**

# CREDIT UNION

- Member-owned financial co-operative
- Not for profit— excess earnings are distributed to credit union members in the form of profit-sharing, lower loan rates or higher yields on savings

# CREDIT UNION

- Run by a volunteer board of directors who are elected by fellow credit union members
- Members can vote on how their credit union is run
- Membership eligibility is typically vary; make sure you check with your local credit union

# BANK

- Shareholder-owned financial institution—not owned by bank customers
- For profit—profits not shared with bank customers
- Run by paid board of directors, not necessarily bank customers

# BANK

- Customers have no say in how their bank is run
- Open eligibility; anyone can be a customer

# PIGGY BANK

- Owned by you
- No costs, earnings or profits
- Limited features and security
- Susceptible to dust and breakage

# CREDIT UNION

## Access to money while traveling

The big banks have ATMs in most major cities. This will give you free access to your money nationwide.

Unlike national banks that have ATMs across the country, credit unions are typically community based, with far fewer locations.

Is there an app for that?

Banks, especially the larger ones, typically offer great technology. Banking apps will support your love for on-demand banking on your smartphone.

You may not think that credit unions provide the latest technology; however, most have caught on and provide mobile apps that are comparable to the apps from the banks.
